

GREENWOOD NEWLETTER

FEBRUARY 2012

Woodbridge Little League – See back of this sheet for details.

Cash Payments – Cash payments for taxes, water, and sewer and/or trash bills **MUST** be made in Greenwood Town Hall. Please do not place cash payments in our outside drop box. Money orders and check payments may be placed in the outside drop box for payments to the Town.

Trash Pick-up – Greenwood ordinance C9-B states that “trash is required to be in a rigid metal or plastic container not to exceed 30 gallons with a filled weight not exceed 50 pounds”. We have noticed a number of residences that just put out bags of trash on the sidewalk every week. Due to a number of factors such as: animals, broken bags, and foot traffic please refrain from putting just the bags out, and see to it the bags are in metal or plastic containers.

Sump Pump Drainage – If your residence has a sump pump please be aware of where it drains. Your sump pump should not drain into the Town’s sewer line, it should drain into a storm drain.

Snow Removal – Not that we have this to worry about yet, but remember that the residents are responsible for snow removal from the sidewalks in front of their property.

Water Conservation Tips – In an effort to help the residents of Greenwood conserve water we will be including a monthly water conservation tip. The tip for February – “Drop your tissue in the waste basket instead of flushing it down the toilet and save water every time.”

Woodbridge Little League

Let's Play Ball!
